

High Strength Storage Rack

TASK MEDICAL

The Task Medical Storage Rack is essential to help streamline patient care by organising medical supplies, improving workflow, and maintaining hygiene. Made with high-strength aluminium alloy and quality ABS and PC materials, it ensures stability and long-term reliability. Its adjustable storage and customisable medicine boxes offer flexible organisation for professional environments.

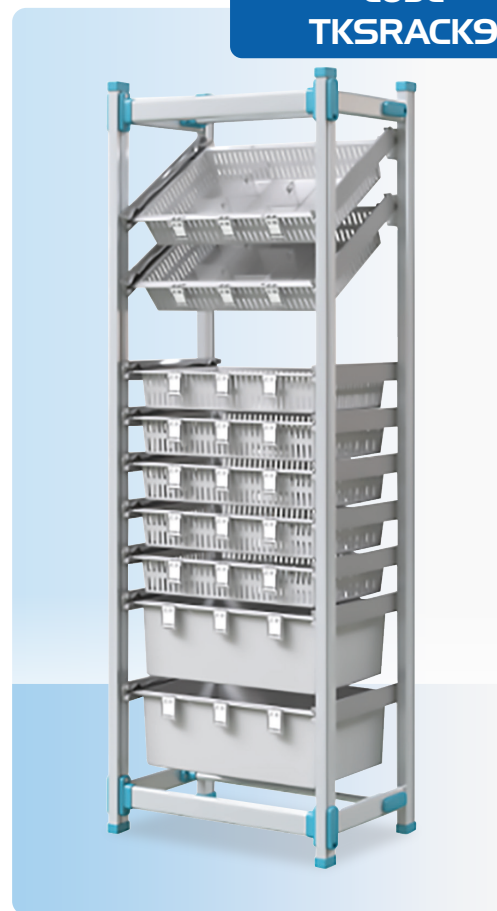

Product Features

- ABS side rails hold medicine boxes at adjustable angles for easy access
- Transparent PC dividers with labels for organised storage
- Integrated sliding rails ensure safe and seamless handling
- Nylon non-slip foot covers for safety and stability
