

## Multipurpose Hi-Lo Treatment Chair - Black Edition

# TASK

MEDICAL

The Task Medical Multipurpose Hi-Lo Treatment Chair – Black Edition combines versatility with a sleek, modern design. Featuring a three-section adjustable structure and two powerful motors, it allows effortless height and position adjustments for optimal patient comfort and practitioner efficiency. The integrated armrests provide added support, while its ergonomic and sturdy build ensures stability. Ideal for clinics and healthcare facilities, this premium black edition offers a professional aesthetic without compromising functionality or comfort.
